## Planning remedial work activity

Use the grid on the next page to help you plan how to solve difficulties you experience in your own study. Make a note of problems you identify. Next, make a plan to solve them – use the *IELTS troubleshooting guide* to help you. Finally, evaluate how successful the plan was.

Problem	Study plan	Evaluation
I have problems with listening.	This month I'm going to: <ul style="list-style-type: none"><li>– download some broadcasts from some websites, such as the BBC to practise.</li><li>– do two or three more IELTS Listening papers in my spare time.</li></ul>	Definitely better. I still have problems, but I'm feeling more confident with listening.
